

FREE FREIGHT GUIDE

We know freight bills can be a drag on margins. That's why we offer our dealers one of the most generous Free Freight allowances in the industry.

Here's how it works:

- Orders that total at least \$500 of in-stock merchandise, excluding Oversized Items*, ship for free every day.
- Every Wednesday, this threshold is only \$250. That's why we call it Free Freight Wednesday.
- Once \$500 has been reached (or \$250 on Wednesdays), Oversized Items can be tacked on and we'll ship those free too.
- For our Chicagoland customers, we offer Free Local Delivery on orders \$400 and above. Need an item in a pinch? Give us a call and we'll bend over backwards to get it to you.
- Backordered items ship with the same freight terms as the original order.
- Drop-shipped and special order items are not eligible for free freight.

* What are Oversized Items?

These are select items that are big and bulky. Think car racks, baby seats, bikes, and twin carrier baskets. But don't worry, we've tagged less than 1% of our 3,800 items as *Oversized*. And remember, once you hit the \$500 threshold, you can tack these items on and we'll ship them for free too!
